Physics 213 2011 Assignment #4
Due Friday Oct. 7, 4 pm (turn in to envelope outside my office)

Reading: Chapter 5

**Individual problems** (you may not consult with other students on these, but you may consult with me): 4.1, 4.7, 5.3

**Group problems** (You are encouraged to work with other students on these _after_ you've put in a serious effort -- at least 10 minutes per problem -- on your own. You should avoid working in groups larger than 5 students.)

4.2, 4.6, 4.13, 5.1, 5.7
