Physics 213 2011 Assignment #5 (Half-length)
Due Friday Oct. 21, 4 pm (turn in to envelope outside my office)

Reading: 6.1-6.5

Individual problems (you may not consult with other students on these, but you may consult with me): 5.4

Group problems (You are encouraged to work with other students on these _after_ you've put in a serious effort -- at least 10 minutes per problem -- on your own. You should avoid working in groups larger than 5 students.)

5.12, 5.13, 5.15, 5.21
