Physics 213 2011  Assignment #6
Due Friday Oct. 26, 4 pm (turn in to envelope outside my office)

Reading:  7.1-7.2

**Individual problems** (you may not consult with other students on these, but you may consult with me): 5.19, 5.20

**Group problems** (You are encouraged to work with other students on these _after_ you've put in a serious effort -- at least 10 minutes per problem -- on your own. You should avoid working in groups larger than 5 students.)

5.8, 5.9, 5.18, 6.3, 6.8
