Physics 213 2011 Assignment #7
Due Friday Nov. 6, 4 pm (turn in to envelope outside my office)

Reading: 7.1-7.5

Individual problems (you may not consult with other students on these, but you may consult with me): 6.17

Group problems (You are encouraged to work with other students on these _after_ you've put in a serious effort -- at least 10 minutes per problem -- on your own. You should avoid working in groups larger than 5 students.)

6.9, 6.10, 6.13, 6.14
