

N-A-N-O Nano! Lyrics: Mark Rzchowski & Friends, w/ help from M. McKenzie

Tune: Lola, by The Kinks

E

1. I saw it in a lab down at MIT,

A

D

E

Where the buildings got no names, they just give 'em numbers, like 7.

A

No letters, just 7.

E

I looked down at it, but it was so hard to see

A

D

So I asked what it was, and they said to me,

E

A D

C

D

E

"It's nano. N-A-N-O, nano. Na na na na nano!"

--SHORT INTERLUDE--

E

2. Well I'm not blind but I couldn't see

A

D

E

How anything that small could make a diff'rence to me, something nano.

A

N-A-N-O, nano.

E

And I'm not dumb, but I can't understand

A

D

How tapping mode can yield a clearer scan

E

A D

C

D

E

For something nano. N-A-N-O, nano. Na na na na nano!

--LONG INTERLUDE, EUGENE SIGNALS WALTER AT END--

[Bridge:]

B7

Well, I'd left school just a week before,

F#7

And I'd never ever worn a labcoat before

A

But when I touched that AFM, I knew I'd never be innocent again!

E

Well I'm not the world's most sciencey guy

A

D

E

But when I saw what it could do, even I could see why we all love nano.

A

Na na na na nano –

E

Physics, chemistry, and biology

A

D

All mixed up together with new things to see,

E

A D

C

D

E

Yeah that's nano. N-A-N-O, nano - na na na na nano -

E A D C D E

Nano. Na na na na nano, na na na na nano!

--INTERLUDE--

E A D C D E

Nano. Na na na na nano, na na na na nano!
