Total Eclipse Of The Heart

Words & Music by Jim Steinman

\[\text{\(B\frac{3}{8}\)}\]

(Turn around.) Ev'ry now and then I get a little bit lonely and you're never com-ing round.

(Turn around.) Ev'ry now and then I get a little bit tired of listen-ing to the sound of my tears.
Ev'ry now and then I get a little bit nervous that the best of all the years have gone by.

(Turn around.)

Ev'ry now and then I get a little bit terrified and then I see the look in your eye.

(Turn around.)

Ev'ry now and then I fall apart.

(Turn around.)

Ev'ry now and then I fall apart. And I need you now tonight.

(Turn around. bright eyes.)
and I need you more than ever. And if you only hold me tight,
we'll be holding on forever. And we'll only be making it right,
'cos we'll never be wrong. Together we can take it to the end of the line.

Your love is like a shadow on me all of the time. (All of the time) 1
nothing I can do, total eclipse of the heart.

Once upon a time there was light in my life, but

now there's only love in the dark. Nothing I can say, total eclipse of the heart.
I really need you to-night, for-ev-er's gon-na start to-night.

For-ev-er's gon-na start to-night. Once up-on a time I was fall-ing in love but

now I'm on-ly fall-ing a part. Noth-ing I can say, a to-tal e-clipse of the heart.

A to-tal e-clipse of the heart.
